## INTRODUCTION

The *Index to the Albany Times Union* is an index to the final edition of the *Times Union* of Albany, New York. The *Index* provides access to news articles about Albany as well as the cities, towns, and counties of New York's Capital District. Items of statewide, national, and international importance are indexed only when there is local or regional impact. Access to editorials, opinion pieces, and letters-to-the-editor is limited. Only major crime and traffic accident reports are indexed. Daily sports and athletic events are not included. Births, engagements, marriages, divorces, wedding anniversaries, and announcements of events or attractions are not indexed. There is a special section for obituaries. Items with an accompanying photograph, illustration, graph, or chart are designated with an asterisk (\*).

Index terms are based on *Sears List of Subject Headings*, 12th edition. When an accurate term cannot be located in *Sears*, other sources such as the *Library of Congress Subject Headings*, *Readers' Guide to Periodical Literature*, and *Academic Index* are consulted. The names of institutions, places, people, and events were used to supplement the index terms. Reviews can be found under one of the following headings: **BOOK REVIEWS, CONCERTS AND RECITALS, DANCE REVIEWS, OPERA REVIEWS, and THEATER REVIEWS.**

For each entry there is a brief annotation taken from either the headline or the article. This is followed by the date and page number. For example:

**ALBANY (NY) - POLITICS AND GOVERNMENT**<sup>1</sup>.

<sup>2</sup> Whalen hears residents' concerns\* 10/18<sup>3</sup>. B4<sup>4</sup>.

## ACKNOWLEDGMENTS

I would like to thank the University at Albany, SUNY for granting me with a sabbatical leave to work on this *Index*. I would also like to thank my wife Karen Kirchofer and my daughters Margaux and Amber for their love, support, and encouragement while I was working on this project.
