Department Certification of Completion of Honors Thesis

- Successful completion of a senior honors thesis is required for graduation from the Honors College.
- The determination of whether a student's work satisfies the criteria for a senior honors thesis is left to each department.
- Each honors student must return this completed certification, along with an electronic copy of his or her senior honors thesis, to the Honors College office.
- This certification must be signed by the student's thesis advisor and by the Director of the department's honors program. If no program exists, the certificate must be signed by the Chair of the department.
- The student must agree to the last statement, as it is a requirement for Honors theses to be on Scholars Archive.
